Strike up the band!

The latest installment of the Library's special, intergenerational movie series for individuals with dementia, their friends, and families spotlights the delightful 1962 musical **The Music Man** (G), featuring Robert Preston, Shirley Jones, and a trove of songs that earned an Oscar for best score.

There's live music, as well, courtesy of the New Orleans-style **Dirty Force Brass Band**. And popcorn. All attendees will leave with a special treat.
