MOANA

The latest installment of the Library's special, intergenerational movie series for individuals with dementia, their friends, and families features **Moana** (2016; PG), about the strong-willed daughter of the chief of a Polynesian village who sails out on a daring mission to save her people. This is Disney's 56th animated feature.

Popcorn is provided and the ukulele duet **Moonlight Serenade** will provide live music. As always, attendees will leave with a special treat.
